Nid yw'r rhestr yma'n hollgynhwysfawr (mae'n amhosib llunio rhestr gyflawn o bob llyfr da - mae 'na ormod ohonynt!)

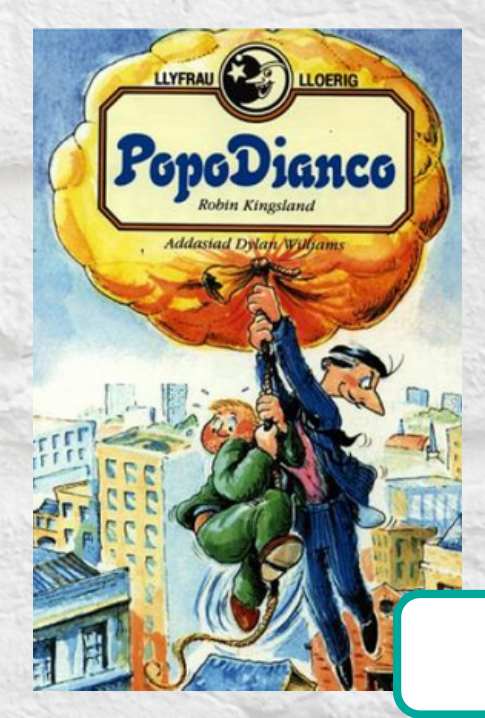

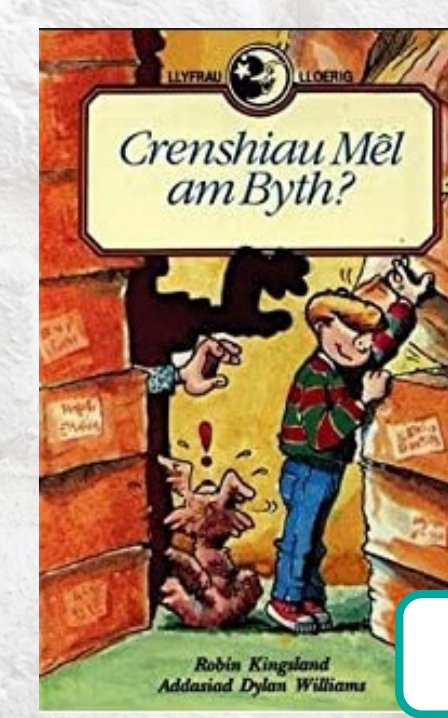

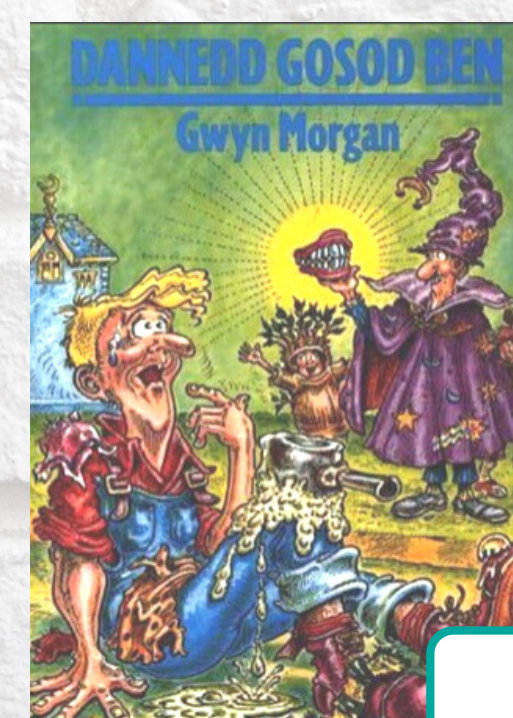

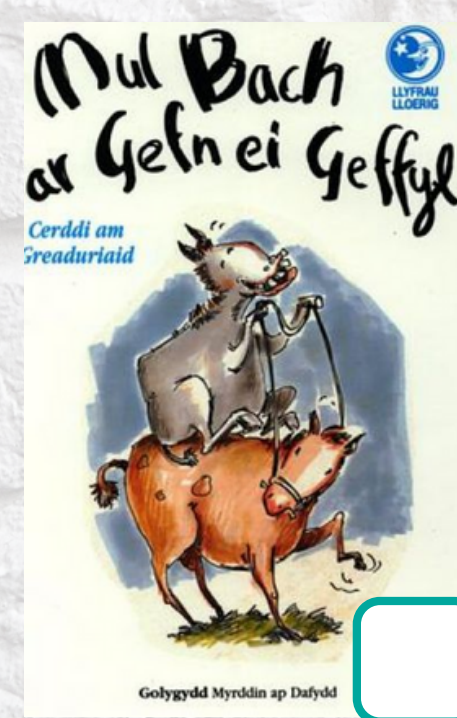

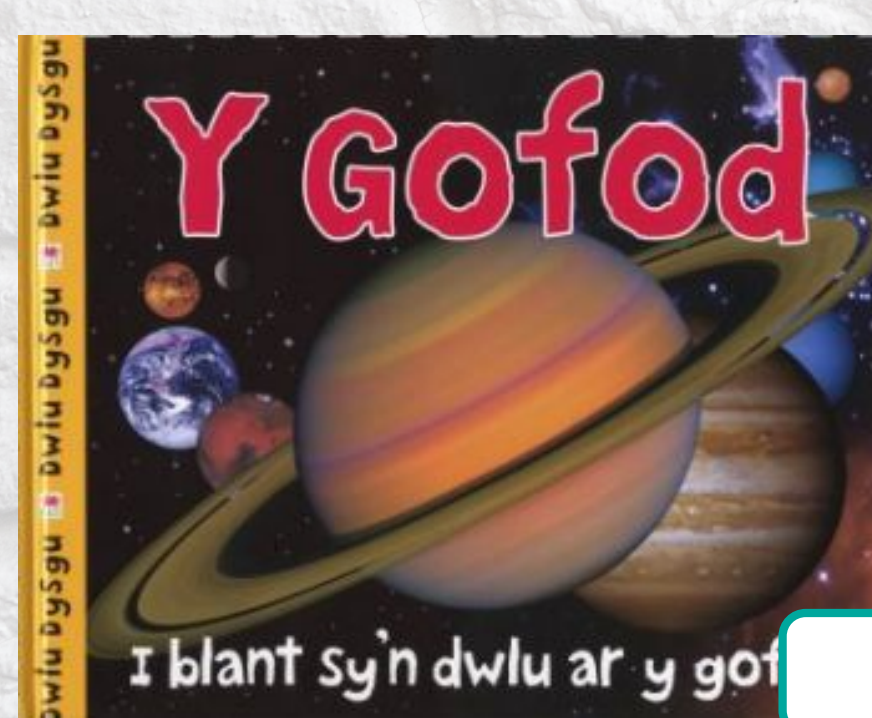

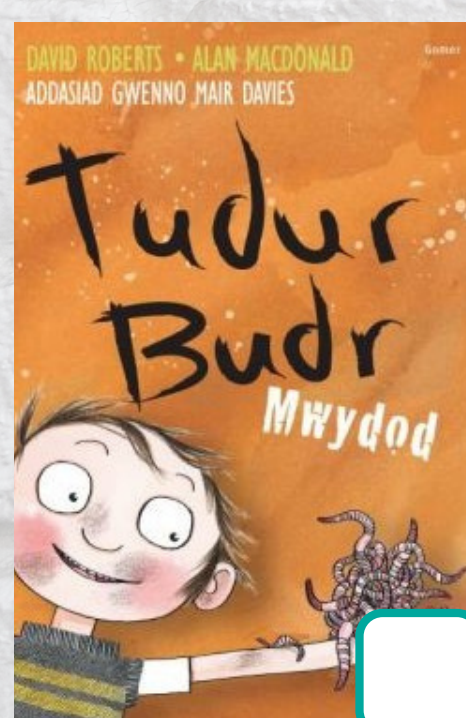

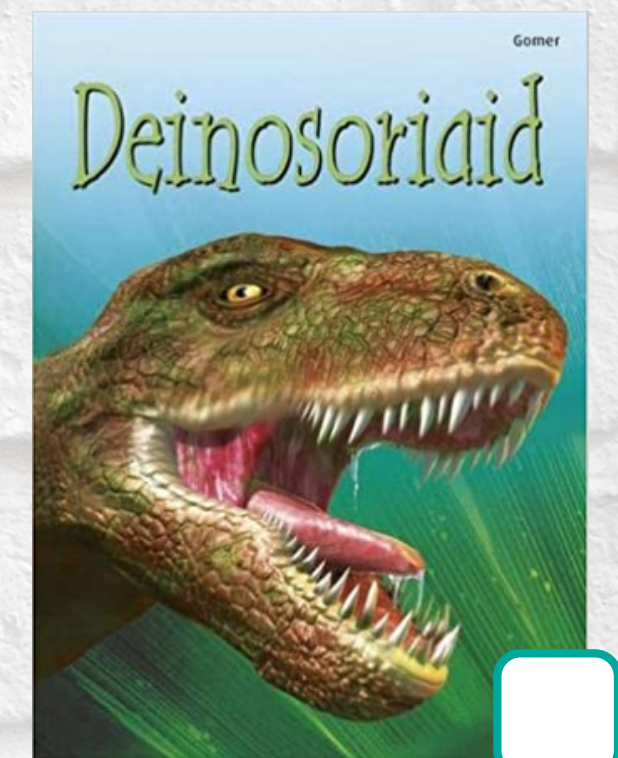

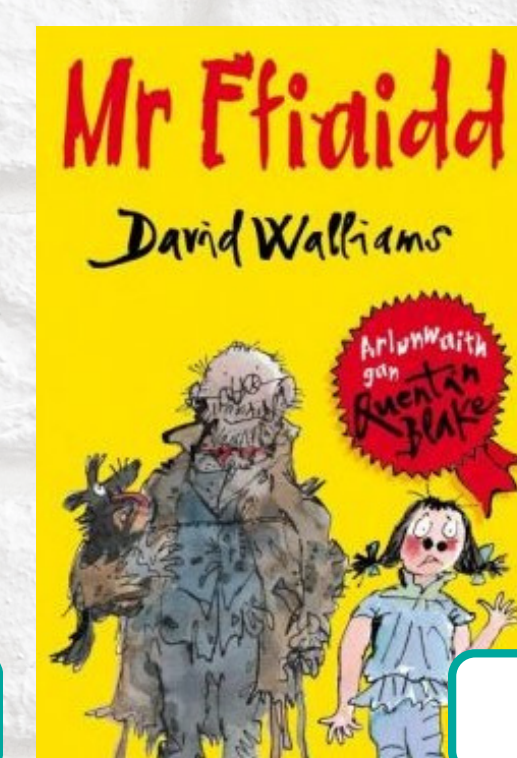

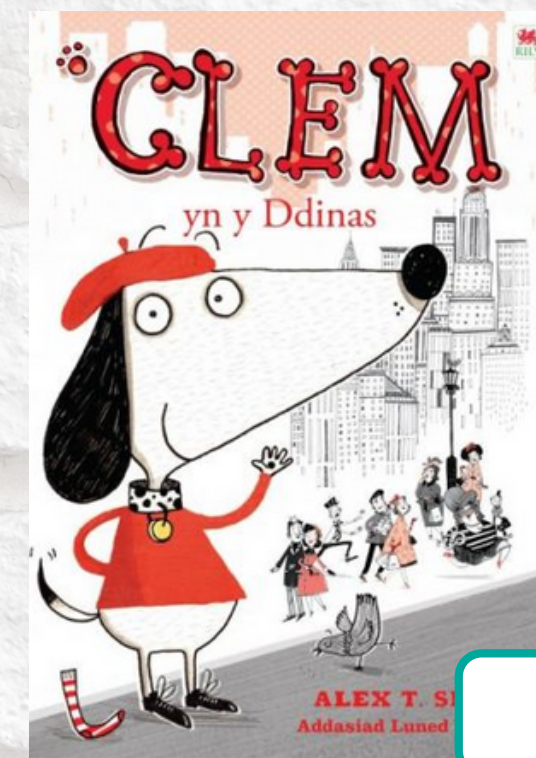

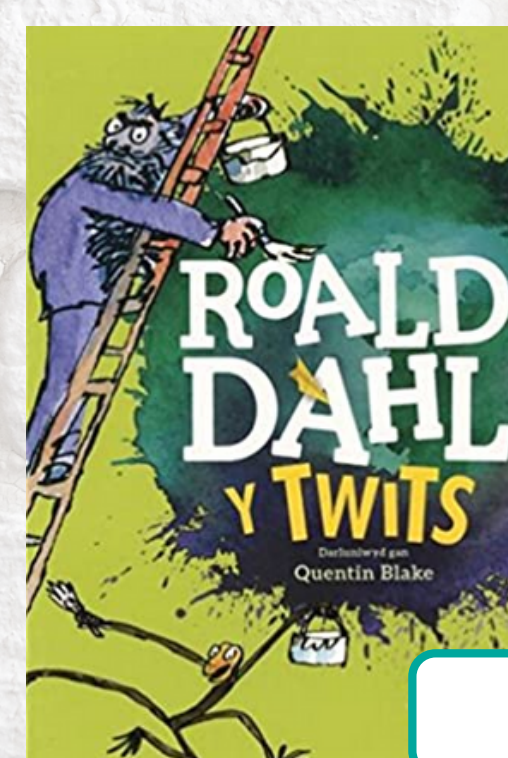

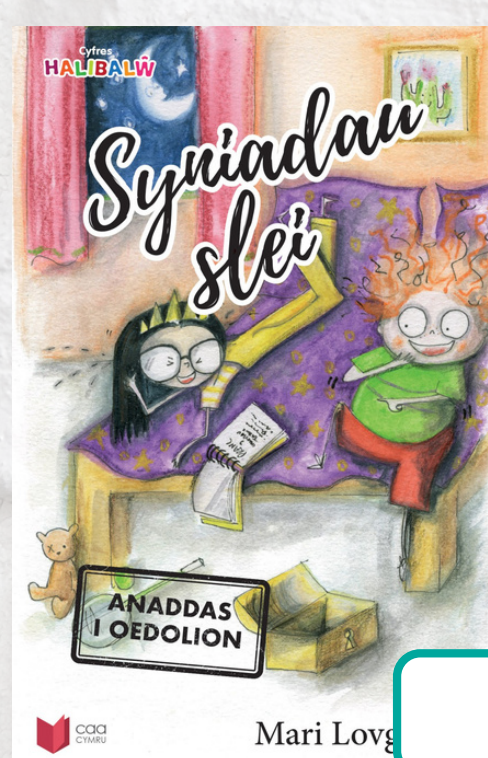

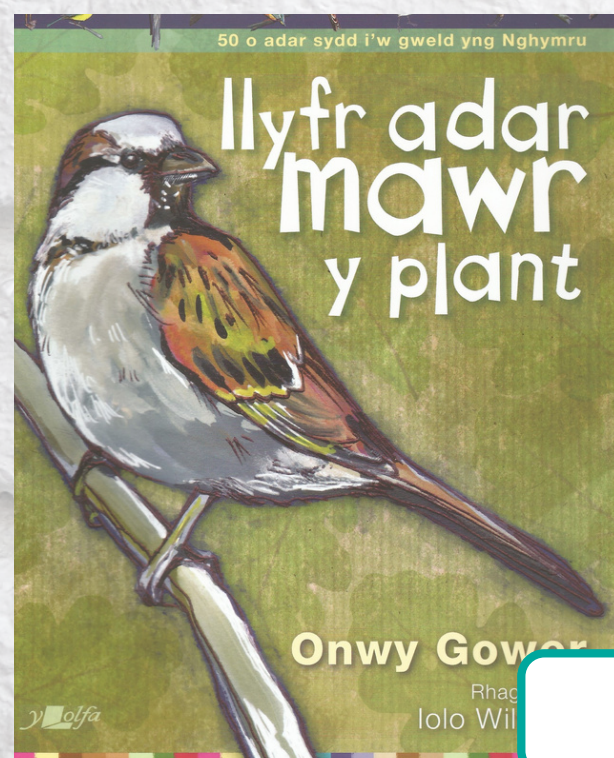

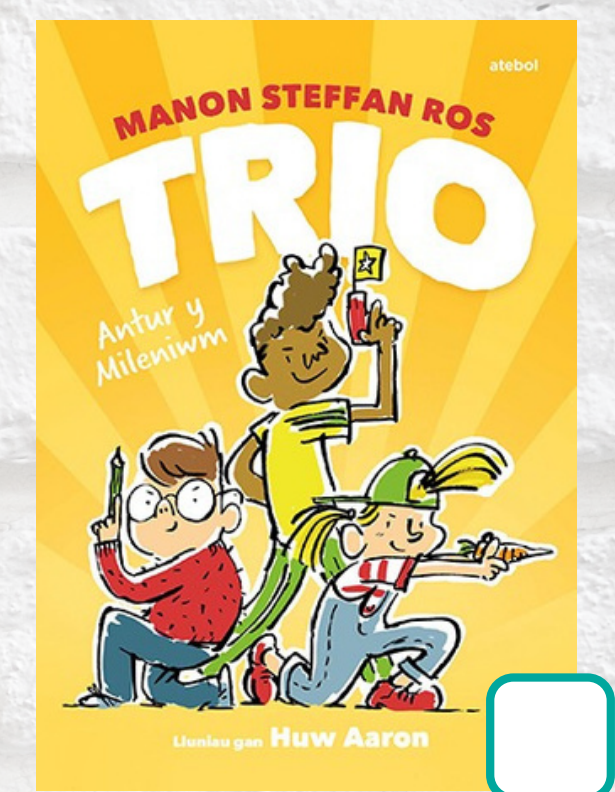

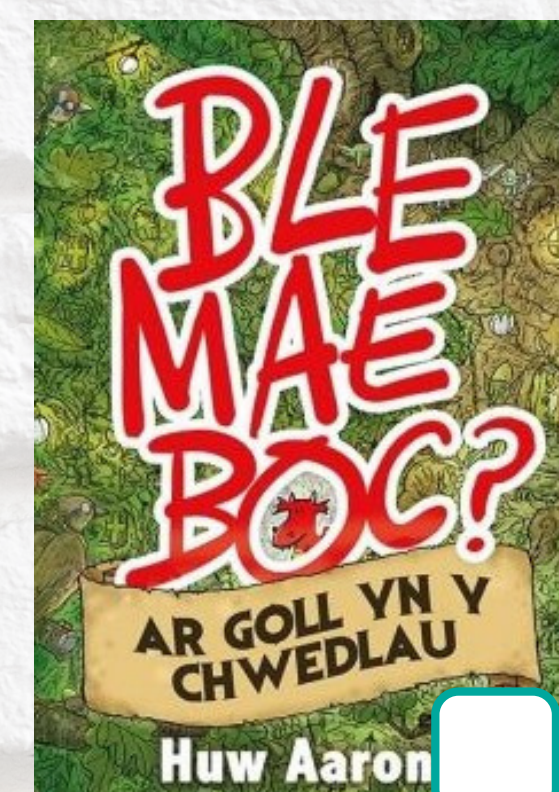

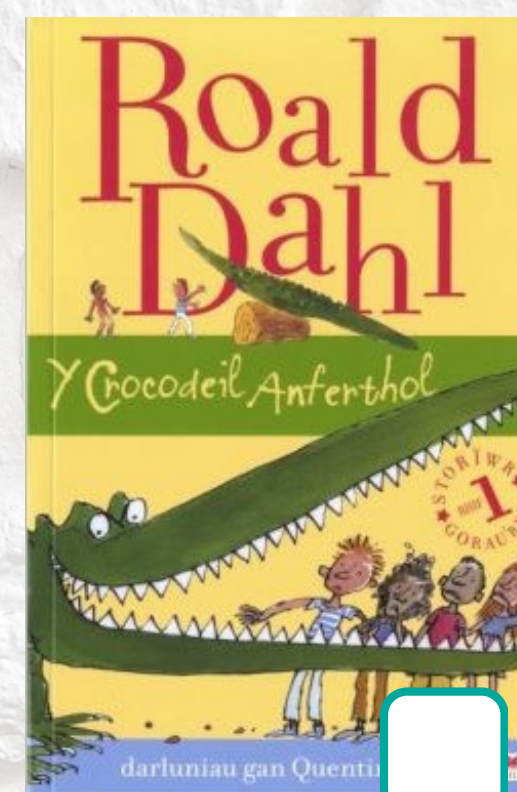

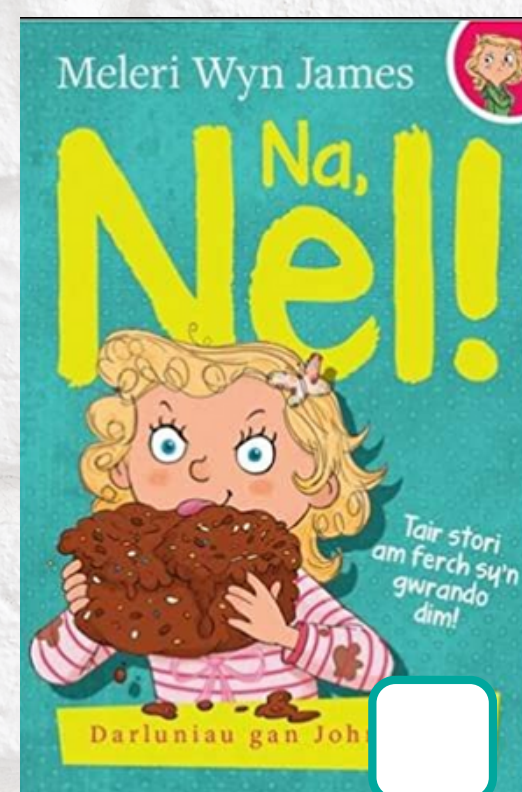

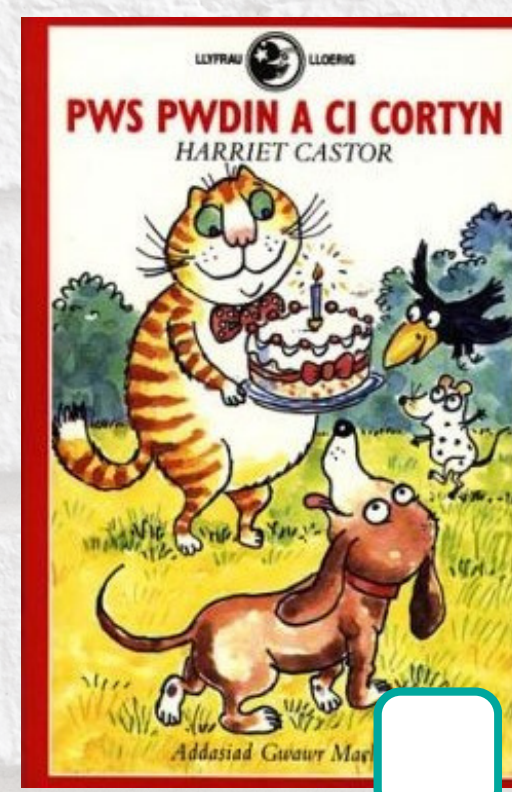

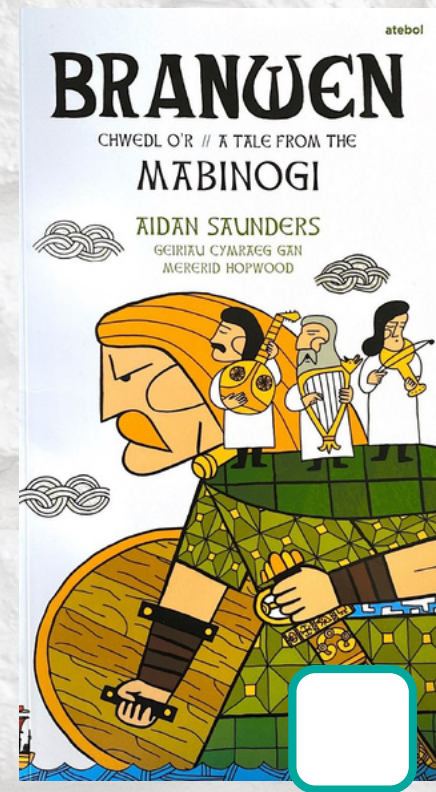

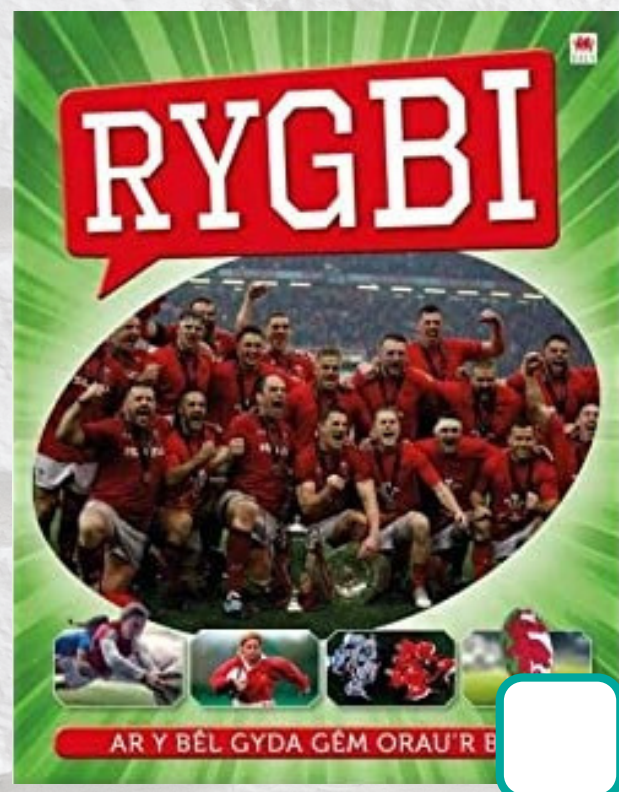

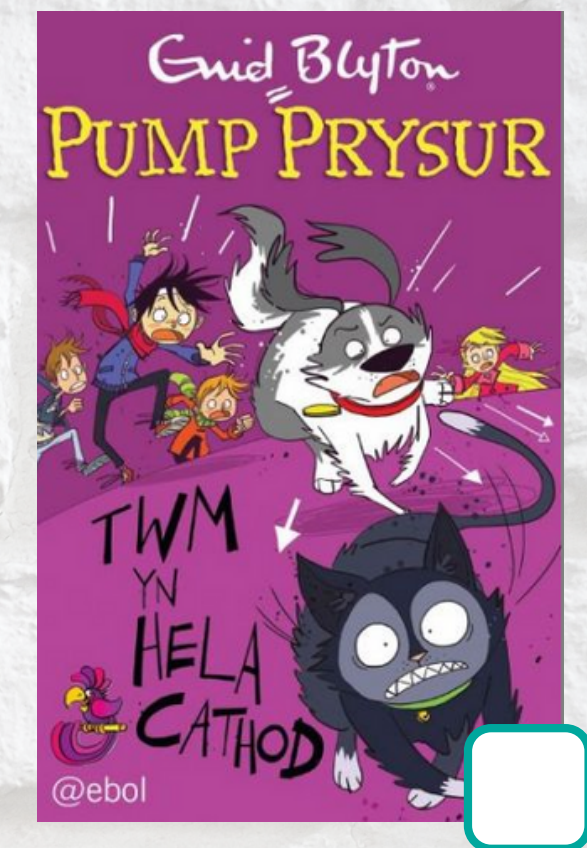

Dyma ein **pigion gorau** ni dros y blynyddoedd - mae 'na rai newydd a rhai hŷn ar y rhestr. Efallai nad yw pob un yn dal i fod mewn print, ond mae'n werth mynd i chwilio amdanynt yn eich llyfrgelloedd. Mwynhewch!

Ydan ni wedi anghofio eich hoff lyfr? Gadewch i ni wybod!

Books you **SHOULD** read!

Years 3-4

This list is not exhaustive - doing a complete list of all the amazing books would be an impossible task!

So, that's why we've created a list of **our top picks over the years as a starting point**. We've included newer books and older ones too. Some of the books form part of a series and other do not. We can't guarantee that they're all still in print but it's worth checking your local library anyway.

Happy reading!
